

The 7th Annual Greenhouse Science Fair

- ★ At Plainfield Central High School, the National Honor Society invites students from each of the greenhouse elementary schools (Central Elementary, Crystal Lawns, Grand Prairie, and River View) to participate in a science fair.
 - This fair is a wonderful opportunity for first through fifth graders to test their curiosity and knowledge by creating a fun project to share!

- ★ Students who choose to participate in this exciting event will explore science on a new level, researching an idea they are eager to learn more about!
 - Projects will be separated by grade level and judged by various science teachers and some of our very own NHS students.
 - The top scorers in each grade level will win prizes, but the biggest reward is the experience and learning that will occur as you prepare for the fair. The important part is that you have FUN!

- ★ **DATE: March 2, 2023**
- ★ **LOCATION: Plainfield Central High School (24120 Fort Beggs Drive)**
 - **Held in the main cafeteria from 5:00pm to 8:00pm**

IMPORTANT GUIDELINES:

- ★ Your project may be a poster, model, or presentation but PLEASE, NO EXPLOSIONS!
- ★ Students must have adult supervision as they work on their projects
- ★ Participants are expected to bring a parent/guardian with them to the actual fair
- ★ On the day of the fair, you will provide an explanation of your project to the judges, including the process you took and what you discovered

IF YOU ARE INTERESTED:

Fill out the form below and turn it in to your school's main office by January 31, 2023, along with a mandatory \$3.00 registration fee (this will go towards set-up and prizes!) Also, join the official science fair google classroom using code **43wtjqt**. Email any questions to Riley O'Brien at rao44@icloud.com or contact your principal.

Science Fair Sign-Up Sheet

I acknowledge that my child, _____ (student name), will participate in the district science fair on March 2, 2023 at Plainfield Central High School.
